

Department of Defense SkillBridge

The Department of Defense SkillBridge program provides retiring and transitioning Service Members the opportunity to participate in industry training programs while transitioning out of their Military careers. It is a great final step for your career readiness.

Like Tuition Assistance and the GI Bill program, SkillBridge helps you enhance your marketability and post-separation career prospects.

Quick Facts

Any rank (enlisted or officer) may apply for SkillBridge.

DOD covers Military pay and benefits during a Service member's time in a SkillBridge program.

SkillBridge matches civilian opportunities to your job training and work experience at the end of your military duty.

Nuvve: A SkillBridge Partner

Nuvve is a global tech company leading the electrification of the planet. We combine the world's most advanced vehicle-to-grid (V2G) technology and an ecosystem of electrification partners to dynamically manage power among electric vehicle (EV) batteries and the grid.

As a SkillBridge partner, Nuvve offers the unique opportunity for Service Members to contribute to the expanding field of V2G and support the world's transition to clean energy. At Nuvve, you will step into a dynamic environment and develop your skillset to enhance your future career. Nuvve values and appreciates your expertise, dedication, and service.
